

## Produkt

|             |                                                        |
|-------------|--------------------------------------------------------|
| Produktnavn | Brother TZ-S-221 kompatibel labeltape sort på hvid 9mm |
| Varenummer  | TZ-S-221                                               |
| Sælges pr.  | 1 stk.                                                 |
| Enhed       | stk.                                                   |
| Vægt        | 43 g pr. stk.                                          |

## Kompatible printere

|         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |

## Identifikation

|                |           |
|----------------|-----------|
| Kompatibel med | TZe-S-221 |
|----------------|-----------|

## Mål

|        |              |
|--------|--------------|
| Bredde | 9 millimeter |
| Længde | 8 meter      |

## Materiale og klæber

|           |              |
|-----------|--------------|
| Materiale | Plast        |
| Farve     | Sort på hvid |

## Emballage og logistik

|                              |                               |
|------------------------------|-------------------------------|
| Enheder pr. yderkarton       | 138                           |
| Halvpalle (80 × 60 cm)       | 24 yderkartoner / 3.312 stk.  |
| EUR-palle (120 × 80 cm)      | 72 yderkartoner / 9.936 stk.  |
| Industripalle (120 × 100 cm) | 96 yderkartoner / 13.248 stk. |

## Lovgivnings- og handelsoplysninger

|                                |                                                                                  |
